HAYWARD PROMISE NEIGHBORHOODS

PROGRAMS GUIDE

STRONG KIDS. STRONG FAMILIES. STRONG COMMUNITIES.
MISSION
Hayward Promise Neighborhoods (HPNs) is a collaborative partnership working to ensure educational success and a safe, healthy, thriving community for all living in Hayward.

VISION
Hayward Promise Neighborhoods will be a national model of commitment to community and collective effort which alleviates generational poverty and creates equity for all in Hayward.

Hayward Promise Neighborhoods is a collective effort to maximize existing assets in the neighborhoods so that all children, families and community members have access to equitable opportunities along a cradle to career continuum of services and supports. These services and supports include the areas of educational success, physical and social-emotional health and a safe and sustainable thriving community. The purpose of this guide is to provide a current comprehensive list of the supports and services that will move Hayward Promise Neighborhoods toward the accomplishment of its vision.

Programs

Community Counseling Clinic (CCC) is designed to perform two purposes: To provide a professional clinical training facility and to provide counseling services to all ages, ethnic backgrounds, and to clients with variety of counseling needs such as depression, social and personal concerns, behaviors issues, loss, grief, and family conflict.

Couples Counseling and Pre-Marital Counseling
Couples are supported in decision making, improving communication skills, and renewing relationship harmony.

Family Counseling
Therapists support communication, expressions of appreciation, and coping skills between family members.

Individual Counseling
Therapists support individuals in identifying strengths, support systems, and facilitating increased emotional awareness and problem solving skills.

Play Therapy
Therapists use play to help children better process their experiences and develop more effective strategies for managing their worlds. Behavioral issues are often created when children experience bullying, grief and loss, divorce and abandonment, physical and sexual abuse, and other crises or trauma.

Systematic Training For Effective Parenting (STEP)
Parents learn about child development and effective ways to raise socio-emotionally competent, resilient children. We offer 4 classes a year during Spring Semester; Preschool Age (3-5), School Age (6-12 years, this class offered in Spanish and English), and Teen (12+).

Watch, Wait, Wonder
Therapists help parents enter their infant or toddler's inner world of feelings, thoughts, and desires by observing the child at play.

(510) 885-3007 or ccsmtt@csueastbay.edu

Community Leadership Initiative
Provides civic engagement leadership and learning opportunities to the neighborhood's residents so they may effectively influence the decision-making that will make a positive difference to the prosperity and vitality of their community – and in the process help remove institutional barriers and change systems that will then allow the community's vision to be actualized.

ABOUT US

Hayward Promise Neighborhoods (HPNs) programs are designed to ensure that all children growing up in South Hayward (streets bounded by West Harder Road, Huntwood Ave., Tennyson Road, Underwood Ave. & Tyrrell Ave.) and/or students that attend six focus schools within the Hayward United School District: Glassbrook, Tyrrell and Ruus elementary schools, Cesar Chavez and Winton middle schools and Hayward and Tennyson high schools will have access to effective schools and strong systems of family and community support. Hayward Promise Neighborhoods funding expands existing local resources to be more accessible for Hayward Promise Neighborhood residents and creates new programs and services to support the local community.
